

In addition, you may also use the following materials as adjuncts in fermenting beer: honey, fruit, fruit juice, fruit concentrate, herbs, spices, and other food materials.

(b) You may use flavors and other nonbeverage ingredients containing alcohol in producing beer. Flavors and other nonbeverage ingredients containing alcohol may contribute no more than 49% of the overall alcohol content of the finished beer. For example, a finished beer that contains 5.0% alcohol by volume must derive a minimum of 2.55% alcohol by volume from the fermentation of ingredients at the brewery and may derive not more than 2.45% alcohol by volume from the addition of flavors and other nonbeverage ingredients containing alcohol. In the case of beer with an alcohol content of more than 6% by volume, no more than 1.5% of the volume of the beer may consist of alcohol derived from added flavors and other nonbeverage ingredients containing alcohol.

Subpart C—Location and Use of Brewery

§ 25.21 Restrictions on location.

A brewery may not be established or operated in any dwelling house or on board any vessel or boat, or in any building or on any premises where the revenue will be jeopardized or the effective administration of this part will be hindered.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5402))

Brewery premises will be unbroken except that they may be separated by public passageways, streets, highways, waterways, carrier rights-of-way, or partitions. If the brewery premises are separated, the parts will abut on the dividing medium and be adjacent to each other. If the brewer has facilities for loading, or for case packing or storage which are located within reasonable proximity to the brewery, the appropriate TTB officer may approve

these facilities as part of the brewery if the revenue will not be jeopardized.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1389, as amended (26 U.S.C. 5402))

(2) For processing spent grain, carbon dioxide, and yeast; and

(3) For storing packages and supplies necessary or connected to brewery operations.

(b) *Other authorized uses.* A brewer may use a brewery for other purposes, not involving the production of beer or cereal beverage, upon approval from the appropriate TTB officer, if the purposes:

(1) Require the use of by-products or waste from the production of beer;

(2) Utilize buildings, rooms, areas, or equipment not fully employed in the production or packaging of beer;

(3) Are reasonably necessary to realize the maximum benefit from the premises and equipment and reduce the overhead of the brewery;

(4) Are in the public interest because of emergency conditions;

(5) Involve experiments or research projects related to equipment, materials, processes, products, by-products, or waste of the brewery; or

(6) Involve operation of a tavern on brewery premises in accordance with § 25.25.

(c) *Application.* Except as provided in § 25.25 for operation of a tavern on brewery premises, a brewer desiring to use a brewery for other purposes shall submit to the appropriate TTB officer, an application listing the purposes. TTB officer finds that the operation of the tavern on brewery premises will not jeopardize the revenue or impede the effective administration of this part and is not contrary to specific provisions of law, the approval of the Brewer's Notice, Form 5130.10 shall constitute approval of the alternate use of brewery premises, in lieu of the application required by § 25.23. As used in this section, "tavern" means a portion of brewery premises where beer is sold to consumers. Food, and/or taxpaid wine, and/or taxpaid distilled spirits may also be sold at a tavern operated on brewery premises. Taxpaid beer produced by other brewers may be received, stored and sold on brewery premises in accordance with § 25.24.

(b) *Brewer's Notice.* In preparing the Brewer's Notice, Form 5130.10, the applicant shall show the following information, in addition to the information required by the form:

(1) The applicant shall identify the portion of the brewery which will be operated as a tavern by providing a diagram or narrative description of the boundaries of the tavern. The diagram or description shall identify areas of the brewery which are accessible to the public and areas which are not. The applicant shall describe security measures to be used to segregate public areas from non-public areas.

(2) The applicant shall describe in detail the method to be used for measuring beer for the purposes of tax determination.

(3) The applicant shall identify the tanks which will periodically contain tax-determined beer, and any other areas where tax-determined beer will be stored.

(c) *Procedures.* The following procedures shall apply to operation of a tavern on brewery premises:

(1) The brewery shall have a suitable method for measurement of the beer, such as a meter or gauge glass. Tax determination shall consist of the measurement of the beer and the preparation of the brewer's record of tax determination, required by § 25.292(a)(8). The taxes shall be determined prior to the time that the beer is dispensed into a container for consumption.
